This certificate can be validated online from the 'Global Clients Directory' by visiting www.qcspl.com or writing an email to info@qcspl.com.
The CE mark as displayed below on Left can only be used under the sole responsibility of the manufacturer after completion of the self declaration
of conformity with the relevant directives. The scope of this certificate only covers the products listed above and QCS must be notified in writing of
any changes in the specifications of the products. The technical file, self declaration of conformity, ingredients data sheets along with the copy of
this certificate must be retained for minimum 15 years under the manufactures sole responsibility.
This certificate remains the property of QCS and to be returned on request. The continuity of this certificate is subject to timely conduction of
annual surveillance audits and recertification audit before the stipulated expiration dates and QCS Product certification scheme regulations
published on our company website: <https://www.qcspl.com/certificationscheme.php>
